
PUBLIC NOTICE

CHRISTUS St. John Hospital is accredited by The Joint Commission. The Joint Commission is conducting unannounced surveys since 2006.

The purpose of the survey will be to evaluate the hospital's compliance with nationally established Joint Commission standards. The survey results will be used to determine whether, and the conditions under which, accreditation should be awarded to CHRISTUS St. John Hospital.

Joint Commission standards deal with organization quality, safety-of-care issues, and the safety of the environment in which care is provided. Anyone having concerns regarding patient care and safety should contact St. John Hospital Administration. If you feel that concerns cannot be resolved through the hospital, you may contact the Joint Commission's Office of Quality Monitoring by e-mail, fax or mail to report any concerns or register complaints about St. John Hospital.
